

VOLUNTEER DRIVER INFORMATION

When all the criteria on the “Driving on Field Trips Information” page are met, parents interested in driving on field trips this school year must:

1. Provide the school office with a copy of the driver’s current California driver’s license.
2. Provide the school office with written proof of primary insurance on the vehicle. **Please submit the document listing the amounts of coverage. Minimum coverage must be at least:**
 - \$100,000 bodily injury per person
 - \$300,000 bodily injury per accident
 - \$50,000 property damage per accident

Items #1 and #2 may be filed in the school office to have on hand for future field trips.

For each individual field trip parents will receive:

- “Diocese of Santa Rosa – Volunteer Driver Form”
- Field Trip Parental Consent Form
- Field Trip Information Slip
- Field Trip Instructions for Volunteer Drivers

We appreciate your willingness to provide student transportation for our school sponsored events by driving your car. This makes it possible for classes to take field trips where otherwise our children would not have this opportunity. Your consideration is very commendable and appreciated. It is important that each parent and teacher is aware of the Diocesan policies for insurance and safety as they relate to our children and family protection.
