gr. 4
St. Rose

St. Rose is very special to me. I have been going to St. Rose ever since preschool and I am very thankful for the difference it made in my life.

St. Rose has taught me to be a kind, loving, and a trustworthy person. Because of this, I have friends that can depend on me.

The most important thing that St. Rose has taught me is to make the right choices. When I make the right choice, I grow closer to God.

Once a week, Mrs. Arymar comes in to talk to about how to take care of our bodies and how to treat others. Without her, I wouldn't be the person I am today.

I am blessed to be a student at St. Rose Catholic School.
